Institute of Jewish-Christian Studies

by Dr. Zola Levitt and Dr. Jeffrey L. Seif

We have prepared a 12-course study that is a unique blend of Jewish and Christian perspectives. There now is a way you can master important subjects without having to pack up and go off to seminary. Each course comes in a three-ring binder with CDs, easy-to-follow outline, and a mail-in test. We'll evaluate your tests and encourage your progress as you enrich your walk with the Lord. Complete the 12 courses and receive a handsome diploma with your name in calligraphy.

Zola Levitt, a Jewish believer, was best known as the host of the weekly national television program Zola Levitt Presents. He was also a widely published author, with some fifty books in several languages, and conducted regular tours to the Holy Land.

Dr. Jeffrey Seif, Messianic believer and co-host of Zola Levitt Presents for five years, is an ordained minister and an expert on subjects related to Israel, Jewish people, and prophecy.

- 1. Old Testament Survey** After mastering this study, you will have an understanding of the background and chronology of the entire Old Testament.
- 2. New Testament Survey** Your understanding of the New Testament will blossom through the teaching of Dr. Levitt and Dr. Seif.
- 3. Jewish History** Those who love history and the Jewish people will no doubt consider this one of the series' most fascinating courses.
- 4. History of Modern Israel** This course teaches about one of the great miracles of modern times—how Israel became a nation in the worst of global conditions.
- 5. Comparing and Contrasting Jewish and Christian Theology** In this course, Dr. Seif and Dr. Levitt examine key Scriptures and doctrines showing both the Jewish and Christian perspectives.
- 6. Messiah in the Law of Moses** Where and how did Moses speak concerning Jesus? That is the question, and this course will give the answers!
- 7. Messianic Prophecy** After this course, the student will be able to use Old Testament prophecy to evaluate Jesus' claim to be the Promised One.
- 8. Between the Testaments/Origins & Demise of the Pharisees** This course examines what happened during the 400-year gap between the Old and New Testaments.
- 9. Judaism Today** This interesting and thought-provoking study will help you to better understand your Jewish friends, neighbors, etc.
- 10. The First-Century Church** The New Testament is very much a Jewish story, and the first church was Jewish. This course examines the demise of early Hebrew Christianity.
- 11. Church History & the Jews** Everyone will consider this one of the saddest courses ever studied—yet it's a subject that needs to be understood.
- 12. Israel and End Time Events** In a fitting conclusion to the series, Dr. Levitt and Dr. Seif put the focus on the chronology of events related to the Rapture and beyond.

Jesus, the Jew's Jew

Book and Teaching CD

**"Let's face it:
Jesus is Jewish.
He always was, and
He always will be.**

He never 'converted' to anything. But it almost seems as though this fact is something to be spoken of in whispers. How could God's Son be one of *them*? How could the very founder of Christianity, that great 'non-Jewish' religion, get away with being Jewish?" Zola's first book about his heritage and his faith—an especially fresh and unvarnished look at the world peculiar to Jewish Christianity, a witness to the Chosen People, and the author's unique testimony—makes an excellent gift for a Jewish friend.
